SCARECROW festival
29th to 30th september

dunton's big weekender 2018 are organising the villages first scarecrow festival!! It is based on an idea originally suggested by a villager who had seen something similar in another village.

the scarecrow trail is on the 29th and 30th september, between midday - 5pm on saturday and sunday, however you will need to set up your scarecrows on the 28th september.

we would like as many individuals, households, organisations and businesses to get involved as possible. there will be no entry fee for this fun event.

the scarecrows will need to be displayed in front of your house or building for all to see, any theme, standing, sitting or lying down.

scarecrows can be quite simple to make and great fun for all the family. some tights, old clothes filled with straw or newspaper with a head and dressed in clothes appropriate to your chosen theme.

instructions to make a scarecrow are available at the march hare and st mary magdalen church. they are also in the june issue of dunton news

there are lots of wonderful ideas and videos on the internet for scarecrows great and small.

there will be prizes for the most authentic scarecrow and the most entertaining scarecrow

this will be a fun event, a map of all entries will be provided to locate the scarecrows around the village, available at the march hare.

on saturday evening the dra will be holding a mexican evening.

events on the sunday, will commence from 1pm and will include morris men dancing, announcement of the winning scarecrow, cake stall, scarecrow cake raffle, children's fancy dress, horse box coffee shop and march hare beer festival.

any profit from the event will be used to support other community activities offered by dunton's big weekender.

.....
please cut here and return all entry forms to the march hare, 34 high street, dunton, sq18 8rn by the 24th september 2018
